

**2006-07 CODES OF CONDUCT FOR ATHLETICS AND EXTRACURRICULAR ACTIVITIES**  
**ELIGIBILITY REQUIREMENTS FOR PARTICIPATION IN ATHLETICS AND EXTRACURRICULAR ACTIVITIES**

District 7 has a policy that connects participation in school sponsored or supported athletic and/or extracurricular activities to academic and behavioral expectations. Participating students are monitored by teaching and administrative staff on a weekly and semester basis.

ALL STUDENTS WHO PARTICIPATE IN ATHLETICS AND EXTRACURRICULAR ACTIVITIES ARE AUTOMATICALLY SUBJECT TO THIS CODE OF CONDUCT. The Code of Conduct shall be enforceable year round, regardless of whether school is in session or the student is currently participating in an extra curricular activities (i.e. it is off season). Students may be asked to sign a pledge to reaffirm the commitment to the standards of the Code of Conduct, but receipt of a signed pledge is not required to enforce this Code of Conduct.

**Weekly Reports**

Classroom teachers monitor students' athletic and/or extracurricular eligibility on a weekly basis and provide information to the administrative staff. A student must satisfy the Illinois High School Association's scholastic standing requirements by passing the equivalent of 4 (four) full credit classes (20 credit hours of work) on a weekly basis. A student will be suspended from participating in any contest while this requirement is not being met.

**Semester Reports**

Students who participate in athletics and/or extracurricular activities must satisfy the Illinois High School Association's scholastic requirements by passing 4 (four) classes for the semester in order to remain eligible for the next semester. A student will be suspended from any participation in athletics or extracurricular activities until the semester following a semester in which 4 (four) classes are passed.

**ENFORCEMENT OF ACTIVITY CODE OF CONDUCT**

District 7's Board of Education, community, and staff support the belief that academics must be first priority. All participants of school-sponsored athletics and/or extracurricular activities must adhere to these guidelines.

District 7 offers a wide variety of athletics and extracurricular activities for the students of the middle schools and high school. Extracurricular refers to any activity scheduled outside the regular school day. Such activities include but are not limited to clubs, choir, band, academic groups, or any other school-sponsored activity. Participation in these activities is a privilege that carries with it responsibilities to the school, to the activity, to the student body, to the community, and to the students themselves. This participation also carries with it certain expectations beyond those found in the normal classroom.

Attention is constantly focused on the student in activities, and he/she will be expected to set a good example for the entire community. Participants must avoid situations that bring disrespect to themselves, their teammates, their sponsors or coaches, and their parents.

District 7 opposes the use of tobacco, alcohol, and controlled substances by any student. It is our wish, through this position statement, that District 7 can help our students resist situations that are detrimental to the growth of our young citizens.

This activity code will be enforced on a year-round basis. Disciplinary consequences for violations when a student is "out of season" or during the summer normally will be levied in the student's next period of competition or performance.

If a violation of this policy occurs during times when school is not in session (i.e., summer break), students may be disciplined the following school year. Further, discipline imposed at the end of the school year may be enforced the following school year.
