

# **What's become of the Class of '74?**

We've been busy, obviously, pursuing life and careers. So busy we've almost forgotten to think back on all those good times at Edwardsville High School. Suddenly, and without warning, our 35th anniversary has arrived!

We decided we should get together, if not for a gala gathering, at least to meet and greet.

Classmates are going to gather Saturday, Oct. 24, at the Springer's Creek Winery in Edwardsville. We'll reminisce in a casual atmosphere.

Why don't you come and join us?

**TIME: 2 to 6 p.m.**

**LOCATION: Springer's Creek Winery, 837 Hillsboro Ave. (Illinois Route 157), Edwardsville.**

**COST: No admission but there will be a cash bar with wine, beer, soda and water available.**

You can also bring your own snacks or order food to be brought in.
