FRESHMAN FOOTBALL
CAMP FEATURING THE
EDWARDSVILLE HIGH
SCHOOL STAFF**

The Freshman Football Camp will give an opportunity to all students entering the 9th grade the opportunity to learn individual position skills, football terminology, refresh the offense and defense, changes in the offense and defense, and essential plays in the offense and defense. They will be coached by the Edwardsville High School football staff. The camp will include agility and flexibility segment, an offensive and defensive individual segment, implementation of offense and defense segment. Each athlete will receive an Edwardsville High School Football Camp Shirt on the last day of camp.

This camp will give all athletes, parents, and community members an opportunity to meet and interact with the high school football staff; as well as learn what skills and techniques are taught at the high school. While learning the offense and defense now, the athletes will be more prepared for their upcoming high school football season.
