

Tiger Tennis Camps at EHS

Summer 2009

Tigers I —at EHS.

The attitude of the staff and kids in the *Tiger Classes* is FUN FIRST! Kids with some or no experience are ideal for the Tigers Program. Classes are grouped by grade level and organized by experience. Every student receives individual attention as the instructor to student ratio never exceeds 6:1.

All instructors are trained in the art of *improving* athleticism and *teaching* tennis strokes and strategy through active games. Tigers Classes meet at Edwardsville High School. Please see the reverse side for prices, class times and session dates.

What to Bring

Two things are *critical*: a large, full water bottle and an appropriately-sized racquet. Any water container, provided your child doesn't run out, will suffice. However, to make sure your youngster has the correct length racquet, you can receive a free, professional measurement at Passion For Sports (655-0340) located across from Wal-Mart, next to Denny's. Affordable, junior racquets are also available there.

Hats, tennis shoes, and light-colored, loose-fitting clothing are also strongly suggested.

Private Lessons

All Tiger Tennis Camps tennis professionals are available for private or semi-private lessons. Private lessons are recommended for all players and must be arranged by patrons with the pro of their choice. Contact any pro for details. For a complete listing of the professional staff and contact information, please check out the staff bio page at lipetennis.com.

Special Events and Tournaments

For a small, additional fee and to compliment development, *Tiger Tennis Camps* offers Inter-Club Matches with local camps and hosts The Tiger Tennis Classic, a Missouri Valley and USTA-endorsed event. Parents should watch for fliers or ask any of the coaches for more information.

Rain Out Policy

Four rainout dates are scheduled per summer and will *usually* be held on Fridays at the regularly scheduled time. Dates missed due to bad weather exceeding these will not be made up. However, students may arrange to make up classes in a subsequent session if space is available. Please see any coach to arrange this. The decision to cancel class due to weather will be made at least one hour before class starts when possible. The staff then tries to quickly notify families by telephone. If classes are rained out in-progress, students will be waiting inside the building located just behind the courts.
