Mr. Dennis Cramsey, Principal
Liberty Middle School
#1 District Drive
Edwardsville, IL 62025

Dear Dennis,

Enclosed is a Special Report that was received in our office that I would like to share with your school. Your girls' basketball team played Vandalia on October 2. Lawrence Watts, an official working the game, wrote a good sports report on both teams. I have enclosed a copy of the report for you to share with your coach and students.

It is important that all those participating in IESA activities realize that they are responsible for promoting good sportsmanship and representing their schools and themselves in a positive manner no matter if they are stepping on a playing field or sitting in the stands cheering. I would like to commend your school and your coaches on their good sportsmanship.

Sincerely,

Julie Cochran
Assistant Executive Director
