**Contest Date:** October 2, 2009

**Home School:** Vandalia Middle School (School) Vandalia (City)

**Visiting School:** Edwardsville Liberty (School) Edwardsville (City)

**Specific matter being reported:** Exceptional Sportsmanship

**Explanation or Comment:**

During a pretty well contested ball game, the girls from Edwardsville Liberty epitomized sportsmanship by always extending a hand to players from the other team to help them up, even if they did not cause the person to fall. Congratulating the opposing players on a good play, and checking to see if they were okay when they hit the floor. The game was a pleasure to work, and it was a pleasure to see these young girls show the sportsmanship that we would all like to see.
