

Placement Testing Scheduled for Middle School Students New to District 7

All current District 7 middle school students take math placement tests at the end of each school year; all seventh and eighth grade students take the writing placement test as well. Students who will be new to District 7 for the 2009-10 school year are required to take these tests in the summer months prior to the beginning of school.

Testing will be offered twice this summer, and each session will provide the same testing. Students may attend whichever session is most convenient regardless of the middle school they will attend during the 2009-10 school year. Tests are scheduled on the following dates:

- Thursday, June 11, Liberty Middle School Auditorium
- Wednesday, July 8, Lincoln Middle School, Room 132

The Math session begins promptly at 8:00 a.m. for incoming sixth, seventh, and eighth graders. The Writing session starts promptly at 9:00 a.m. for incoming seventh and eighth graders. Each test lasts 45 minutes.

Parents may drop off their child/children and return after testing is completed. Additional information may be obtained by contacting Lincoln Middle at 618-656-0485 or Liberty Middle School at 618-655-6800.
