

Parent pleased with District 7 Summer Zone  
(Intelligencer, Letters to the Editor, Wednesday August 21, 2013)

I would like to publicly thank the Edwardsville School District for coordinating a wonderful summer activity program for children. Our three sons attended Summer Zone and they never once complained about attending (a small victory in itself); rather, they unfailingly reported having fun at the end of the day. They especially appreciated the plentiful staff, who were fully engaged at all times and who provided thoughtfully planned age-appropriate activities. I was impressed by the consistent positive attitudes and courtesy exhibited by the staff to both parents and children. Swimming and bowling at SIUE were high-lights, as were computer classes, outdoor play time and the sports sessions.

A special shout out goes to the Edwardsville Arts Center which staffed great supplementary classes; the boys came home with some wonderful projects.

All in all this was a well-run program that is an asset to the community and which we'd highly recommend to other ECUSD7 families.

Sincerely,

Melanie Mueth
